Is pleased to announce its annual

**Basic Concepts of Rehabilitation Nursing Course**

Wednesday, August 5, 2015, 8:00 AM – 5:00 PM (Board Room)
Wednesday, August 12, 2015, 8:00 AM – 5:00 PM (MCWHLB Conf A1)
Monday, August 17, 2015, 8:00 AM – 5:00 PM (Board Room)

**Course Coordinator:** Paddy Higgins, MN, RN, CRRN, CNS, PHN

This 3-day workshop is designed for all staff (RN’s, LVN’s, and Nursing Assistants) who participate in the nursing care and rehabilitation of neurologically impaired disabled patients. Participants will examine the principles and philosophy of rehabilitative care, the team approach to care planning and the specific nursing care of adults and children with stroke, brain injury, spinal cord injury, and other related diagnoses.

### Overall Course Objective

After completing this 3-day workshop, participants will be able to state an initial understanding of rehabilitation nursing concepts and be able to apply these to the care of adult and pediatric patients requiring rehabilitative care in a variety of settings.
